No. 2:18-cv-01032-TSZ

**ORDER GRANTING PLAINTIFF'S  
MOTION FOR ALTERNATIVE  
SERVICE PURSUANT TO  
FED. R. CIV. P. 4(f)(3)**

Having reviewed Plaintiff's Motion, docket no. 13, for Alternative Service and its supporting declarations and exhibits, the Court hereby finds that Plaintiff has demonstrated that service on Defendants (1) via email delivery (using the same email addresses Defendants used to sell allegedly infringing replacement toothbrush heads and communicate with potential purchasers) and (2) via the "Contact Supplier" feature for each Defendant's Alibaba storefront, of a link to a secure website that will make available for download PDF copies of the Summons and Complaint (in English and translated into

1 simplified Chinese), together with all documents filed in support of Plaintiff's motion for  
2 this Order, is reasonably calculated to result in notice to the Defendants.

3 **IT IS HEREBY ORDERED** that, sufficient cause having been shown, Plaintiff's  
4 motion for alternative service by email and via Alibaba's "Contact Supplier" feature is  
5 granted, and service shall be made on Defendants and deemed effective as to Defendants by  
6 the following means:

- 7 1. Delivery of an email message to Defendants using the email addresses set  
8 forth in Table 1 below, which are the same email addresses that Plaintiff's  
9 agents used to communicate with and/or purchase the allegedly infringing  
10 replacement toothbrush heads from Defendants.
- 11 2. Delivery of an electronic communication to Defendants using the "Contact  
12 Supplier" feature on each Defendant's Alibaba store, located at the links set  
13 forth in Table 2 below, which are the same links that Plaintiff's agents used  
14 to communicate with and/or purchase the allegedly infringing replacement  
15 toothbrush heads from Defendants.

16 The email message and/or electronic communication via Alibaba shall be in English  
17 and also translated into simplified Chinese. The email message and/or electronic  
18 communication will notify each Defendant that a suit has been filed against it in the United  
19 States District Court for the Western District of Washington and provide a link to a secure  
20 website where each Defendant will be able to download Adobe PDF copies of this Order  
21 together with the Summons and Complaint (in English and translated into simplified  
22 Chinese), and all papers filed in support of Plaintiff's motion seeking this Order. For  
23 avoidance of doubt, only the email/Alibaba electronic communication informing  
24 Defendants of this action, Summons, and Complaint need be translated into Simplified  
25 Chinese. All other documents may be served in English only.
